

## The Biblical Basis for Apologetics May 15<sup>th</sup> at 7PM

**Description:** Dr. Fernandes shows from the Scriptures that Christian Apologetics (the rational defense of the faith) is clearly based in the Scriptures. The Bible speaks about God revealing Himself to man in His creation and in man's conscience. And, the Apostles defended the faith using both eyewitness testimony and their own testimonies. Hence, traditional apologetics is biblical. Dr. Fernandes will also discuss different ways to defend the faith.

**About the Speaker:** Dr. Phil Fernandes is the president of the Institute of Biblical Defense, which he founded in 1990 to teach Christians how to defend the Christian Faith. He is also the pastor of Trinity Bible Fellowship in Silverdale, Washington, and teaches philosophy, world religions, theology, and apologetic's for CrossPoint Academy and the Imago Dei Institute (formerly Cascade Bible College).

Dr. Phil Fernandes has earned the following degrees: a Ph.D. in philosophy of religion from Greenwich University, a Master of Arts in Religion from Liberty University, and a Bachelor of Theology from Columbia Evangelical Seminary. Fernandes has debated some of America's leading atheists (i.e., Dr. Michael Martin of Boston University, Jeff Lowder, Jim Corbett, and Dan Barker). He has lectured and debated in defense of the Christian world view at some of America's leading universities.

The Apologetics Symposium will occur on the 3rd Thursday each month, and feature multimedia presentations by speakers, scientists, and authors who are dedicated to defending the Bible against naturalism. The events are free and open to the public and generally suitable for ages 11 and up. Educational resources will be available for sale from the NW Creation Network.
